Supreme Court

The Supreme Court Monday invalidated a Jersey City ordinance under which Mayor Frank Hague's city government denied CIO permission to hold meetings in public places. Justice Roberts, writing the majority opinion on the ordinance, said CIO members were "free to hold meetings without permit and without regard to the terms of the void ordinance." It was declared that Hague's action had violated the constitutional right of free assembly—a right for 250 years dear to the hearts of democracy-loving peoples.

Nation Welcomes British Sovereigns

Their Brittanic Majesties King George VI and Queen Elizabeth, shown above at one of their numerous stops during the Canadian tour, will enter the United States late tomorrow at Niagara Falls and will proceed to Washington and a formal state reception. Their arrival marks the first time in history that reigning British sovereigns have set foot on American soil.

Work Started On Extension Of Junipero Serra

With all preliminary plans completed, work has been started on Section No. 4 of Joint Highway District No. 10 (extension of Junipero Serra boulevard from San Francisco boundary line to Burlingame).

Forty-five days ahead of schedule, 100 WPA workers have been assigned to the work of clearing away debris and brush in preparation of actual construction work, according to Baily Hipkens, assistant WPA engineer in charge of construction. Hipkens stated that July 15 was the contract date set for commencement of work but it was the objective of WPA forces to start work as far in avdance as possible in order to complete the job in record time.

Construction Camp

Offices and construction camp have been established on the property of R. G. Clifford, contractor for the roadwork, opposite California Golf club on El Camino Real. Hipkens said that this cooperation would benefit the project thousands of dollars, which would ordinarily be paid for rental of office, campsite and equipment space.

Supervisor John A. Lynch of San Mateo county and secretary of Joint Highway District No. 10, in a conference with Andrew J. Gallagher, president of the project, learned that a liberal amount of San Mateo county labor would be used in construction and roadwork. Section No. 4 will extend Junipero Serra boulevard from in back of Cypress Lawn cemetery to a point opposite Sneath Road at Tanforan. This new road-section will add $426,000 worth of new highway to San Mateo's present system.

Financing

Supervisor Lynch said that extension highway work on No. 4 would be financed as follows: estimated cost, $426,000. Federal funds will absorb 80 per cent of the amount, or $340,000. The sponsor (Joint Highway District) will bear 20 per cent of the total, or $86,000.

The sponsor's share will be apportioned between the State of California cooperating to the extent of $29,000; San Mateo county's portion is $8,550 while the remaining $48,450 will be absorbed by the City and County of San Francisco.

Ultimately, it is the plan of the directors of Joint Highway District No. 10 to extend Junipero Serra boulevard through the heart of San Mateo county connecting with existing highways in Santa Clara county.

Our Mother of Perpetual Help School Graduates Receive Diplomas

"There are three things, Knowledge, Success and Character, but the greatest of these is Character," Reverend Edmond D. Ryan Friday evening told a class of nineteen graduates from Our Mother of Perpetual Help school.

Stating that "education is a preparation for life," but warning that "a good job is not the only thing in life which is important," Father Ryan pointed out that "a contented mind is above wealth." Many Local Groups Plan To Participate

Hi-Ho . . . We go to the Fair!

More than a thousand will go from Daly City Sunday, according to H. G. King, local committeeman for San Mateo County day at Treasure Island.

Several hundred Daly Cityites are scheduled to participate in the program on the Island and a tremendous host of fair-goers are expected to troop along, according to recent reports. Many organizations from here are going to take part—Veterans, Native Daughters, Jefferson Union Hi Indians of Rhythm, Daly City Juvenile Drill team, Boy and Girl Scouts, and many others.

Transportation

Excellent transportation facilities are being arranged with special express street car service running directly from Daly City to the Ferry, and no increase in the regular 7 cent fare. Three cars will leave from Colma starting at 10 a. m. with five to ten minute intervals between their departures. Last car leaving Colma is expected to pull out at 10:15 a. m.

Six special express cars will start from the top of the hill. First car will leave about 10:15 a. m.; the last about 10:40 a. m. Passengers will be picked up as far down as Oliver street, then the cars will run straight through.

Program Events

The day on the island will be celebrated with an extensive musical and dancing program and special events. Miss Rose's Daly City Juvenile Drill team, uniformed and carrying a silk banner, and Jeff Hi Indians of Rhythm, directed by Dante P. Lembi, and other local entries, will be of particular local interest.

Starting at noon, county high school bands will march through outlying sections of the island and converge at the California State building. Uniformed bodies of various local and county organizations will march behind the bands.

Flag Raising

At 12:30 p. m., flag raising ceremonies will be held in front of California state building following sounding of colors by county bugle corps. The high school bands, massed, will play the national anthem.

The new San Mateo county flag, bearing the tree and plow seal of the board of supervisors, will be raised by Sons of the Legion. This is the first time an official flag of the county will be publicly raised.

Following the flag ceremonies, members of the board of supervisors, mayors of each city and city councilmen from each city will be introduced.

At 1 p. m., drill teams of uniformed groups will perform in the court of the nations.

At 5:45, the massed bands will play at the lagoon under direction of Eugene Brose of San Mateo High school.

Jefferson Program

At 6:15 p. m., the Jefferson high school "Indians of Rhythm" will present a program in the California ballroom.

From 8 p. m. to midnight a dance will be held in California ballroom.

Anne Steele and Viva Keithley of Daly City and Peter Marich and Anna Kahle of Colma will be among the 203 graduates to receive diplomas at the San Mateo junior college commencement next week.

Dr. Aurelia Reinhardt, president of Mills College, will be the Commencement speaker at the exercises which will be held in the Hillsborough open air theater, Friday morning, June 16. Colonel C. N. Kirkbride, president of the college board, will present the diplomas. Several scholarships will be awarded at the exercises.

The San Mateo jaysee trackmen placed third in the Junior P. A. track meet at San Jose state, competing against Stanford, California, other college men, and the Olympic Club. Connie Varneck of the jaysees set a meet record in the hop-skip-and jump event.

Final examinations are going on at the college at the present time.

The college graduates will hold a class breakfast the morning of graduation, and that evening they will have their Soph Formal dance at the California country club to end the college year.

The last assembly of the college year presented "Drummania," the all-college show. Service awards were presented Betty Lou Simpson, Bill Metz, and Rudolph Pribuss for their outstanding work in behalf of the student-body during their two years in college.

Mr. and Mrs. William Irwin, Hanover street, accompanied by Mr. and Mrs. Andrew Hansen, San Francisco, spent Sunday with Mr. and Mrs. George Felsch of Palo Alto.

Crocker P. T. A. To Hold Last Meet

The regular meeting of the Crocker P. T. A. Sew and Sew club was held at the home of Mrs. Virginia Davidson last Thursday with seventeen members present. Arrangements were made to have another whist for the Life Membership fund, owing to the fact that many lovely prizes were left over from the one held May 29. The holiday week-end took many players out of town. The whist will be held at the school on Friday evening at 8:30 p. m.

The next meeting of the Sewing club will be at the home of Mrs. Mary Jacobi, June 22, at 10:30 a. m. All members are invited to attend.

Crocker P. T. A. will hold its last regular meeting, Tuesday, June 13, at 1:30 p. m.

The Sewing club is planning to have one July and one August meeting in Sigmund Sterns' Grove if it can be arranged. The third Thursday of each month is the tentative date.

Orangemen Hold Memorial Services

Solemnity was the keynote of the Memorial service for the departed members of the California Loyal Orange Institution last Sunday when the Reverend T. H. Simpson presided over a capacity attendance of Orangemen and Orangewomen at the Portalhurst Community church, San Francisco.

The members of the fraternity assembled in the church and were led by the Grand Lodge Standard Bearer of the institution carrying the flag of the United States.

Following the Memorial service Reverend Simpson delivered a spirited address to the gathering on the "Glorious Heritage of Every True and Loyal Orangeman and Orangewoman."

Many local members of True Blue, L. O. L., No. 118, attended the services.

Boy Scouts 141 Demonstrate Work

Boy Scout Group No. 141, under the direction of their leader, Joseph Straughan, took complete charge of the National Boy Scout exhibit in International hall on Treasure Island Thursday.

Scouts demonstrated the Metal Work merit badge, while Cubs worked on the little wooden banks they have been making for the Grace Nazarene church.

Frank Devlin, a cub, demonstrated airplane building and designing. Copies of the "Deep Purple," official publication of Boy Scout Group No. 141, were distributed to scouts and scouters from all over the United States.

The Grace Church of the Nazarene, sponsoring organization of the group, should be pleasantly surprised when the banks are opened, according to scout leaders. A number of Fair visitors were inspired to try the banks out by inserting coins into them.

The group has been invited to return to the Fair later in a demonstration of cookery.

Scouts participating in the exhibit Thursday were Glenn Goode, senior patrol leader; Richard Russell and Richard Worthington of the Waterdog patrol; Henry Herting, Indian patrol; and John Mosman, Roy Camillo, Kenneth Claussen and Paul Underhill of the Pioneer patrol. Cubs were Bobby Thompson, Peter Marvelias and Frank Devlin.

The banks used in the demonstration were first suggested by Cub Elmer Raanes, Den No. 2, who constructed one of similar design for a cubcraft test.

Although thousands of electric range users in California know the reasonable low cost of electric cooking, a recent survey proved that guesses of those who did not know—averaged *twice* the actual cost.

Electric cooking is really economical cooking. Present low electric rates, highly perfected new heating elements in modern electric ranges, heavily insulated ovens that conserve heat, exact heat measurement at the snap of a switch which keeps current use down to a minimum—all contribute to the low cost of electric range operation.

Have you guessed an electric range is SLOW?

Guess again. All of the 1939 Electric Ranges are completely equipped with Speed Units. These Speed Units are so fast and so intensely hot you will only use them for brief High Heat cooking periods. Most of your cooking will be done on money-saving Low Heat.

Have you guessed that electric cooking is DIFFICULT?

Guess again. Electric ranges simplify cooking because of the miraculous automatic controls. Oven meals almost cook themselves.

Have you guessed that electric cooking is EXPENSIVE?

Guess again. Electric Cooking costs have been dropping steadily downward. One reason is that the electric rate for cooking is now very low. Another reason is that the NEW Electric Ranges use much less electricity. $2.58 is the average monthly cost for cooking with 42,000 electric range users.

Come in today and see the new 1939 Electric Ranges.
Prices are low and purchase terms exceptionally easy.

All the joys, the tragedies, the problems, comedy and romance of young married love are woven into the story.

Miss Lombard, star of the screen's most successful comedies, plays the role of Jane Mason—providing fans with b i g news. For, this role is Miss Lombard's first serious and dramatic one in years, and she portrays a girl into whose life comes a balance of happiness and tragedy. With James Stewart, one of the screen's most popular heroes, playing Miss Lombard's lawyer-husband, Selznick introduces a new film starring team.

Companion feature on the new bill will be "The Oklahoma Kid," starring James Cagney.
